

David Armstrong

Commercial/Delivery Driver

Contact Information:

Phone Number: +1-571-364-1589

Email: davidarmstrong5107@gmail.com

About Me:

I am an experienced driver with a good driving record, medical card, and CDL Class A Certification. I am open to regional, OTR, and local trucking roles or non-CDL driving roles.

(Authorized to work in the US for any employer.)

Work Experience:

Private

U.S. Marine Corps - Parris Island, SC

June 2021 to August 2021

I was employed with the United States Marine Corps for a little over two months. I received an uncharacterized entry level separation after I was deemed unfit for further service. This time in the Marine Corp taught me discipline and being comfortable with the uncomfortable.

Domino's Delivery Expert

Domino's Pizza - 2886 Dale Blvd, VA

March 2023 to September 2023

My time as a Domino's Delivery Expert, taught me proper delivery etiquette and good customer service. I was the top performing driver, among nine stores, in delivery efficiency. I routinely worked overtime shifts sometimes lasting more than ten hours. I was trained to maintain store cleanliness, and work in fast-paced, high-stress environment.

Amazon Delivery Driver

Robertson Logistics LLC - Gainesville, VA

April 2024 to May 2024

Delivery driver job that includes a skillset of: packing large vans, organizing packages for delivery, safe driving skills, timely deliveries , and excellent customer service. I chose to leave this job was not terminated.

Education:

High School Diploma

Forest Park Highschool - Woodbridge, VA

July 2019 to June 2021

Major Skills:

Driving - 3 years of experience.

Truck Driving - less than a year of experience.

Customer Service - 1 year of experience.

Delivery - 1 year of experience.

Certifications/Licenses:

Class A CDL

July 2022 to August 2022

I earned a Class A CDL(with no restrictions) from CDS Tractor Trailer Training. This license allows me to operate commercial and non-commercial vehicles within the state of Virginia. I passed a knowledge exam, road test, and maneuver test at their facility in Fredricksburg, Virginia.
